Required signature

Authorship

By signing this form, you are asserting personal authorship of the intellectual property it contains and that you have properly and completely cited all ideas and information obtained from other sources.

Rights

By signing this form, you are asserting and agreeing that:

1. You retain the right to reuse the submitted text and information. You can publish it again elsewhere yourself or grant other scholars, teachers and individuals the right to use it, just as you wish.
2. You grant to the Ancient World Mapping Center the permanent and unlimited right to reuse the submitted text and information, and to store and publish it in any venue, and to combine it with other information, so long as your authorship of the information is clearly noted in the context of publication.

Privacy

AWMC does not disclose personal contact information to the public or to other organizations. AWMC uses personal contact information to verify the identity and credentials of persons submitting information, and to facilitate contact and follow-up on substantive matters with them. AWMC may use your name and institutional affiliation in print and digital publications to indicate your authorship of the information you have submitted to us. By signing this form, you assent to this use of your personal information.

Sign here

By signing here, I acknowledge that I have read and assent to the “authorship,” “rights,” and “privacy” policies outlined above.

Signed: _____ Date: _____

Please mail to: Ancient World Mapping Center, CB#8110 5010 Davis Library, University of North Carolina, Chapel Hill, NC 27599-8110, USA.

Title/subject of this comment

Please supply a short, descriptive title of your choosing
